

# ConnectED Bus Portable

Powered by Peplink

**ConnectED Bus Portables** allow your students to maximize their travel time during daily commutes and extracurricular activities. Our high-speed 5G equipment will ensure they can complete their assignments on time, study for tests, strengthen their digital literacy skills, and provide equity and access for all.

Each **ConnectED Bus Portable** is managed through your centralized dashboard, providing full CIPA compliance and detailed usage reporting. It also offers real-time GPS. The case is easy to carry yet rugged. The router is the latest rugged 5G dual sim Peplink router available, delivering ultra-fast speeds and can connect up to 150 students at a time.
