

Premier TotalProtect for Parents

A NO-COST WAY TO REDUCE REPAIRS & KEEP STUDENTS LEARNING

Give Families Peace of Mind—Without Adding to Your Workload

Today's students rely on Chromebooks, laptops, and tablets to stay connected and complete their schoolwork—but accidents happen. Premier TotalProtect for Parents gives families affordable, school-approved protection with no cost to the district and no extra strain on your IT team.

What the Program Includes:

- Coverage for new or existing student devices (even if warranties have expired)
- Flexible terms from 1 to 4 years
- \$0 deductibles—ever
- Unlimited accidental damage repairs (drops, spills, cracked screens)
- Optional lost/stolen coverage
- Parents opt in. Premier handles the rest.

Why Schools Offer It:

- Zero cost to your district
- Helps stretch your tech investment by extending device life
- Reduces repair queues and downtime for students
- Offloads support—no added burden on school staff
- Launches fast. We provide everything you need.

Why Families Appreciate It:

- No surprise repair bills or out-of-pocket tech expenses
- Keeps devices in students' hands, not in the shop
- Easy online enrollment
- School-approved protection from a trusted provider

Easy to Launch, Simple to Manage

Districts across the country are rolling this out as part of their back-to-school strategy—protecting students' devices without touching their budget.

We make it turnkey for your team.

Contact us for a quote or to learn how easy it is to add extended warranties to your existing Chromebook fleet.

All you have to do is share the program with families—we handle the rest.
