

# Premier TotalProtect for College Students

## PROTECTING TECH. POWERING STUDENT SUCCESS.

**Zero Cost for You. Full Protection for Your Students.**

### Offer Protection Without the Responsibility

From lecture halls to dorm rooms, college students rely on their devices for everything — assignments, collaboration, research, and exams. But a single cracked screen or stolen laptop can disrupt their academic success.

**Premier TotalProtect is a student-paid, school-supported device protection program designed to:**

- Reduce downtime keeping students connected.
- Boost retention by preventing tech setbacks.
- Ensure equity with affordable device coverage.
- No cost or burden to the school.

**You promote the program. Students opt in. We handle the rest.**

### What It Covers:

- ✓ Up to 3 devices per student, including phone, laptop, iPad
- ✓ Includes unlimited claims per device
- ✓ Mechanical breakdown & theft protection
- ✓ \$0 deductible — ever
- ✓ Only \$15/month or \$150/year, paid by the student
- ✓ Protective cover/case required to enroll

### Why Students Love It:

- No surprise repair bills
- School-endorsed, easy-to-trust
- Quick claims and device turnaround
- Coverage that travels with them
- Simple, self-managed online enrollment

### Where It Fits On Campus:

- Orientation welcome kits
- Financial aid & tech equity programs
- Student success initiatives
- Campus bookstores or device loaner programs
- IT help desks and digital resource centers

### Why Schools Support It:

- No cost to your institution
- No additional workload for your team
- Fewer tech-related interruptions for students
- Easy to roll out — we provide digital launch materials, enrollment links, and support
